WHOLE NO 1374

123 to 127 Main Street.

On the Move.

More than four years ago you began trading with us. You came to see us. We improved the chance and got a large trade quickly. Now we are after a larger trade this fall. That's how we move. Courage wins in our business. The big dollars worth gets a hearing with-out delay. We know it, we are going ahead on that line.

Six months ago we set the importers and manufacturers to work to get special goods for us. Not for us—for you. Home manufacture and European. That wasn't the only edge of our plan in doing it. We got the mill price and didn't pay but one profit.

Now for Your Side.

We have \$100,000 worth of dry goods, the largest and best selected dress goods department in Kansas. Beauties in design and texture. You will feast your eyes on them, and you will buy them on a moments sight. We don't stand a moment in saying we sell rafts of dress goods daily. We ought to for such offerings as we have made during the past month (away under value) can only be appreciated by the ladies who have seen them Our display is fine, more than a hundred styles and easy to see.
